PART XV.2

For information regarding areas of interest, grants, fellowships, and projects, see Foundation website: www.sloan.org

1. Grants

- (a) (addressed) Mr. Paul L. Joskow, President
Alfred P. Sloan Foundation
630 Fifth Avenue, Suite 2550
New York, New York 10111
Telephone: (212) 649-1649
- (b) (form) No standard application form is required. Proposals should include information about the applicant, the work the applicant proposes to do, the cost and duration of the work, and the tax status of the organization that would administer the grant. They should not exceed 20 double-spaced pages. Proposals by e-mail are accepted.
- (c) (submission deadline) None
- (d) (restrictions or limitations) The Foundation's main interests are in science and technology; standard of living and economic performance; education and careers in science and technology and selected national issues. The Foundation's activities do not extend to the humanities, religion, the creative or performing arts, or to medical research or health care. Grants are not made for endowments or for buildings or equipment, and are only occasionally made for general support or for activities outside the United States. Applications can be made at any time for support of activities related to the range of interests indicated above. – Grants of \$125,000 or less are made throughout the year by the Officers of the Foundation.

2. Fellowships

- A. The Alfred P. Sloan Research Fellowships seek to stimulate fundamental research by early-career scientists and scholars of outstanding promise. These two-year fellowships are awarded yearly to 118 researchers in recognition of distinguished performance and a unique potential to make substantial contributions to their field.
- (a) (addressed) Alfred P. Sloan Research Fellowships
Ms. Erica Stella
Alfred P. Sloan Foundation
630 Fifth Avenue, Suite 2550
New York, New York 10111-0242
Telephone: (212) 649-1649
- (b) (form) Candidates are nominated by department heads or other senior scholars. Direct applications are not accepted. Nomination forms are available on request addressed to (a) above or online at www.sloan.org/fellowships. In addition to this form, the nominator should submit a letter describing the candidate's qualifications and must see that the Foundation receives three supporting letters directly from other scholars, preferably not at the same institution. A CV, a list of the candidate's publications, a one-page statement as well as one copy of each of no more than two representative publications should accompany the nomination form and letter.
- (c) (submission deadline) Nominations are due by September 15 for those awards which begin the following September.
- (d) (restrictions or limitations) Candidates for Sloan Research Fellowships may be no more than six years from completion of their Ph.D. as of the year of nomination, unless special circumstances such

as military service, a change of field or child rearing are involved or unless they have held a faculty appointment for less than two years. They are required to hold the Ph.D. (or equivalent) in chemistry, physics, mathematics, economics, computer science, neuroscience, or computational and evolutionary molecular biology or in a related interdisciplinary field. They must be members of the regular faculty of a college or university in the United States or Canada.
